## Econo-Line Squeegee

Item Code : SQ-1005

Size : 2.75" x 4"

A high quality, economical squeegee. Featuring a true "I.M." edge, with midlevel memory, high flexibility and high glide. Ideal for light to medium weight graphic film, vinyl, tape, silk screen, and pressure-sensitive applications.

## Industry Standard Squeegee

Item Code : SQ-1006

Size : 3" x 4"

The industry's original, application tool & squeegee. Featuring high-stability twin ribs for easy handling and pressure control. Strong memory, medium flex and high glide. Ideal for vinyl, film, graphics, tape, silk screen, and pressure-sensitive applications.

## Heavy Duty Nylon Squeegee

Item Code : SQ-1061

Size : 3" x 4"

The "Nylon" squeegees outlast other squeegees depending on the users application material. Featuring high-stability twin ribs, maximum memory, low flex and high glide. Ideal for most medium and heavy weight films, graphics, vinyl, tapes, silk screen and psa needs.

## Felt Wrapped Squeegee

Item Code : SQ-6102

Size : 3" x 4"

A unique combination of hard card firmness combined with a soft, smooth, supple industrial felt edge. Helps protect vinyl from marring and scratching. Saves time and money by frequently eliminating the need to "wrap" a Squeegee, or using a premask.

## Wide Format Squeegee

Item Code : SQ-1045

Size : 3" x 6"

The industry's original, application tool & squeegee. Featuring high-stability twin ribs for easy handling and pressure control. Strong memory, medium flex and high glide. Ideal for vinyl, film, graphics, tape, silk screen, and pressure-sensitive applications

## Large Format Squeegee

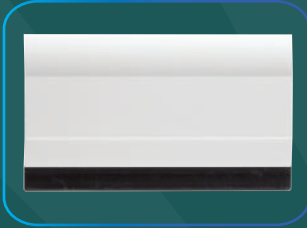

Item Code : SQ-1055 (orange)

Size : 3" x 12"

SQ-1021 (silver)

Based on the industry standard, it features easy-grip stabilizing twin ribs that have the memory, glide, flexibility and durability users require. Ideal for Large Format digital Graphics.

## Flex-Edge Combo Squeegee

Item Code : SQ-1012

Size : 2.25" x 4"

The comfortable profile allows easy use of each edge, the flexibility allows for maximum conformity. Use the rigid edge for heavy applications, the thin rubber based edge for thin films, protecting against tearing and scratching. Featuring low memory and low glide.

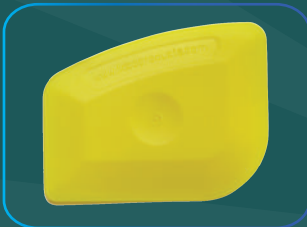

## Chizzler Squeegee

Item Code : SQ-5003

Size : 2.3" x 3"

One sized polycarbonate tool has proven invaluable for removing materials and applying others in tight corners.

## Mini Super Soft Spreader

Item Code : SQ-5010

Size : 3" x 2.25"

Various contours, small size, highly flexible, economical. Ideal for spreading soft and medium weight adhesives, sealants, resins and putty.

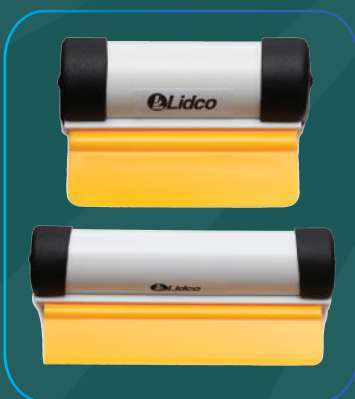

## Big Blade Removal Tool

Item Code : SQ-7104 (blue)

Size : 3" x 4"

Designed to aid in the removal of large pressure sensitive materials from a variety of surfaces that are easily scratched. Safe, Strong, plastic double edged blade. Strategically beveled scraping and lifting edges. Functionally designed with a solid back for both strength and flexibility.

## E.Z. Grip Squeegee Handles

Size : 1.375" x 4"

Item Code : SQ-1204

1.375" x 6"

Item Code : SQ-1206

Lightweight yet adds rigidity to squeegee edges. Ergonomical design allows for full blade pressure and contact with less wrist strain. Priced sensibly to allow multiple installers to have one of each size in their tool kit. End Caps and internal fins keep the non-used blade clean and secure. Designed for easy squeegee blade replacement. Industry Standard sizes to choose from.

## E.Z. Gripper Wide Media Installation Tool

Size : 30"

Item Code : SQ-3000

Size : 54"

Item Code : SQ-5400

E.Z. Gripper Wide Media Installation Tool™ for film and vinyl installation helps make applications and installations a one-person job. It holds and supports media with its unique design and works like an extra hand for working with wide graphic materials. The E.Z. Gripper Wide Media Installation Tool™ maintains even tension of the media to reduce potential creases and avoid accidental folding and flopping of media edges. It handles wide materials on both horizontal and vertical installations and applies and controls media with or without pre-masking.

## Low Friction Felt Sleeves

Size : 3.25" x 4"

Item Code : SQ-6001

3.25" x 6"

Item Code : SQ-6002

Reusable low friction felt sleeves in sizes to fit 4" and 6" small and wide squeegees. Economical as they provide multiple clean new edge surfaces by simply rotating the sleeve around the squeegee. The soft, smooth, supple felt along with the inner hard card helps maintain the integrity of the graphics. Great for digital prints and specialty vinyl. Cleans in advance of pressuring much like a brush on a printer. Terrific on dry applications.
